***Cautionary Statement Regarding Forward-Looking Information***

*This press release contains “forward-looking statements” or “forward-looking information” (collectively referred to herein as “forward-looking statements”) within the meaning of applicable securities legislation. Such forward-looking statements include, without limitation, forecasts, estimates, expectations and objectives for future operations that are subject to a number of assumptions, risks and uncertainties, many of which are beyond the control of the Company. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words “will”, “plan”, “intends”, “may”, “will”, “could”, “expects”, “anticipates” and similar expressions. Further disclosure of the risks and uncertainties facing Montan and other forward-looking statements are discussed in Montan’s Management’s Discussion and Analysis which are available under the Company’s profile on [www.sedar.com](http://www.sedar.com).*

*In particular, this press release contains forward-looking statements pertaining to the completion of additional tranches of the Private Placement and receiving final approval of the TSX-V. These forward-looking statements are based on assumptions made by and information currently available to the Company. Although management considers these assumptions to be reasonable based on information currently available to it, they may prove to be incorrect. By their very nature, forward-looking statements involve inherent risks and uncertainties and readers are cautioned not to place undue reliance on these statements as a number of factors could cause actual results to differ materially from the beliefs, plans, objectives, expectations, estimates and intentions expressed in such forward-looking statements. These factors include, but are not limited to, commodity prices, fluctuations in revenues and expenses of the Company, need for additional funding, availability of such additional funding and that funding will be on acceptable terms, retention of key employees, economic conditions, currency fluctuations, competition and regulations, legal proceedings, risks related to operations in foreign countries, the inability to complete additional tranches of the Private Placement and the TSX-V not approving the additional tranches of the Private Placement.*

*The forward-looking statements in this press release are made as of the date they are given and, except as required by applicable securities laws, the Company disclaims any intention or obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.*
